Empathy Map

Primary Persona: A Renter Searching for a Home

Date	17 July 2026
Team ID	Not provided
Project Name	House Rent Management System (HouseHunt / RentEase)
Maximum Marks	4 Marks

Says	Thinks
I want genuine listings with clear rent and contact information.	Is this property still available and within my budget?
I need to compare properties quickly.	Can I trust the owner and booking status?
Does	**Feels**
Browses listings, filters by address/type, opens details, submits booking details.	Hopeful when information is clear; frustrated by missing or outdated data.
Checks booking history for updates.	Confident when the status is visible and consistent.

Design Implications

- Keep listing facts visible and structured.
- Show availability and booking status consistently.
- Minimize the information required to submit a booking request.
- Make owner approval and role boundaries explicit.
