| Progress review | Weekly | Google Meet / GitHub | Review integrated features |
| Issue discussion | As needed | GitHub / group chat | Resolve defects and integration problems |
| Documentation review | Per phase | Shared Drive | Check templates and evidence |
| Demo rehearsal | Before submission | Google Meet | Confirm flow and timing |

## Working Agreements

- Use one source of truth for code: the GitHub main branch.
- Record decisions and known issues in documentation.
- Do not claim performance or deployment results without evidence.
- Review names, Team ID, links, and dates before submission.
